## *How Does it Work?*

The **HDG Private Dental Plan** works similar to many dental plans on the market. You pay a monthly membership fee for benefit coverage on your dental expenses. The Plan is designed to cover preventive services such as cleanings and oral exams. This provides coverage that can be budgeted at an affordable monthly expense while receiving excellent benefits for your higher cost dental service.

## *Who Administers the Plan?*

Heartland Dental Group administers the **HDG Private Dental Plan** and works with you, the patient, directly to make all dental service decisions. There is no need to contact a third party for approvals. All questions regarding plan coverage, verifying benefits, changing coverage types, or any other questions should be directed to the HDG staff.

## *How Do I Use a Specialist?*

Your HDG doctor may refer a patient to a specialist who participates in the **HDG Private Dental Plan**. Members must verify the specialist's participation in the referral network prior to accepting treatment. Heartland Dental has a complete listing of highly-qualified participating specialists.

## *Why the Program Works*

If asked, most people would agree that decisions about dentistry are best made between the patient and their dentist, without a third-party company's involvement and restrictions.

The **HDG Private Dental Plan** is different! It has been designed to provide you and your family with affordable preventive dental coverage that your dentist owns and administers.

Not only does the Plan provide outstanding coverage for preventive dentistry, the plan offers excellent coverage for major dental procedures like crowns, root canals, bridges, and dentures.

Since your **HDG Private Dental Plan** is not administered by a third party insurance company, all the decisions regarding your dental treatment may be decided by you and your Heartland Dental Group dentist, without the need for claim forms, approvals, deductibles, or waiting periods.
